OBITUARY

By and by when the morning comes, when all of the saints of God will be gathering home, we will tell the story of how we overcome, and we will understand it better by and by.

"Let all those that seek thee rejoice and be glad in thee: and let such as love thy salvation say continually, let God be magnified" PS. 70:4"

Missionary Georgia Emma Houston was born to the proud parents, Rufus and Tabiatha Haynes on July 4, 1916 in Jewett, Texas.

She attended the elementary school in her community and received her basic education. She enrolled in the Emma Scott High School in Tyler, Texas and there she graduated with honors.

She attended the Texas College in Tyler, Texas and received her Bachelor Degree in Home Economics. She taught school for many years in the State of Texas before coming to the state of California. She was the Home Demonstration Agent in Bowie County, in Taxarkana, Texas, which was a supervisory position in the Texas School System.

Sister Houston was saved, sanctified, and filled with the Holy Ghost in 1932 in a revival conducted by her brother-in-law, Elder W. B. Houston, under the pastorage of the late Bishop S.E. Lee in Tyler, Texas.

She met and married Rev. Alexander Houston on November 17, 1937 and lived happily together until her passing. She and her husband moved to San Francisco, California in 1950 and immediately united with the Emanuel Church of God in Christ, under the leadership of the late Bishop E. E. Hamilton. There she served faithfully in many capacities, and enjoyed the sweet fellowship of the saints. She served as a Sunday School Teacher, served on the Usher Board, as a Church Secretary, and organized the First Vacation Bible School at Emanuel Church of God in Christ. After living in San Francisco for a while, she began teaching as a substitute teacher, but that didn't last very long, for her qualification and her devoted interest in the children learning skills, soon put her in demand on a full time teaching position. She was a specialist in Mathematics, and she helped many children to achieve their goals because she was dedicated to the cause. She later enrolled at San Jose State University, where she obtained her Master's Degree in Business Mathematics. This also gave her a promotion in the education level and was very meaningful to her. She was an asset to the San Francisco Unified School District and to many lives she touched during her teaching career.

In 1980 her husband was called to the Vineyard of Pastorage, and Sister Houston, so beautifully worked by the side of her husband with all of her soul, mind, and strength. She worked untiringly, and was a beautiful example of how a wife can work, honor and respect her husband in the service of the Lord. She loved her husband, she loved the members dearly, and taught them many things about working in the Vineyard of the Lord. She served as a District Missionary under the supervision of Supt. T.L. Delaney, and the fellowship in the District was just beautiful. There was peace, sweetness, and a lot of love exemplified in the Rising Star District. She made many friends during her lifetime, and will be sadly missed by her devoted family and the many saintly friends who knew and loved her. Her health became impaired several months ago, and she could not attend the services as she desired. Yet, she never lost the courage and faith she had in her maker, for she knew He would take care of her.

She expired in a local hospital in the city of San Francisco, on October 23, 1986. She leaves to celebrate her home-going, a devoted, kind, considerate husband, Elder Alexander Houston, one daughter, Franzetta Houston, one Grandson Alexander Coleman. Another adopted daughter, Grenay Bordeaux, all of San Francisco, California. She was a mother to many young people whom she helped in many ways, and whom she loved and nurtured. One sister, Mrs. Inez Cooper, of Denton, Texas, two brothers, Rufus Haynes Jr. and Isaac Haynes, both of Texas, one niece in San Francisco, Mrs. Bernice Hopkins, of San Francisco, other nieces, nephews, and cousins, and a host of saintly sisters and brothers.

DEDICATED TO MY DARLING MOTHER

"WHY GOD MADE MY MOTHER"

When God created my mother, its certain that He knew
I would need the loving thoughtful things that only
You, mommy could do.

Like making jelly sandwiches, and delicious birthday cakes,
And giving tender loving care, when I had a tummy ache.

Or, telling me to wear my coat and boots, so I would stay warm
and dry,
Or helping wipe away my tears when something made me cry.

Yes, God knew all the thoughtful things that you would be sure to do,
And that's exactly why He made a mother just like you.
Rest well, and remember I love you mommy.

Composed by,
Your Daughter,
Franzetta Houston

IN APPRECIATION
